YOUNG LEADER PROGRAM

Leadership is a talent that can't be learned overnight. It requires hard work, dedication and time. It revolves around motivation, drive, influence and other skills. We realize, guiding people to the right destination, in a smooth and efficient way is the better strategy for making leaders. We focus on building leadership skills by first understanding the personal leadership style and interpersonal skill set. A residential program will equip students to tackle complex challenges, expand ingenuity, and excel in building team harmony.

An effective, productive course with lots of fun defines the YLP.

Course objectives:

Over a period of two years, along with CBSE curriculum, the students would be provided with a broad perspective of different career opportunities around the world. The emphasis will be on imparting ethics and values needed to take a lead. Students will be exposed to a combination of theory and practical sessions. Intensive coaching for admissions to premier institutes and universities, and leadership building sessions will be provided. Over the period of their course, students shall raise own self-awareness and gain self-confidence for a better leadership.

My Inspiring Story

Meet people who are leaders from different strata of the society. This interactive session give insights about what it takes to become a great leader from which students will be able to apply what they have gained in the interaction and will be able to achieve what they are aiming.

The academic year 2019-20, Wadi Rahma has witnessed a number of creative activities and events as part of Young Leader Program.

A session for awareness about India's bureaucracy: Mohammed Sajad IAS interacting with students of Wadi Rahma.

A session about Indian judiciary, legal studies & career in law: Students of Wadi Rahma listening to the Munsiff Magistrate Justice Shyjal M.P

A session on current scenario of media & journalism: Associate editor of Madhyamam, Prof. Yasaeen Ashraf interacting with students

A session on sports and games: Gokulam FC Team Manager speaks about Football club management and career in the field of football.

Meet the Scholar

A scholar from premier institutes will come and share their experience, their climbing ladder to the students. This will help them to enhance the qualities and skills required to become a great scholar.

PHD Scholar in Law @HCU, Fasila A K interacting with the students

Meet the Scholar

IRFAN ALI

PHD Scholar in Economics,
Hyderabad Central University

Training for Competitive Examinations

There will be coaching classes for preparing students to excel in various competitive examinations for the admissions to premium institutes. This includes motivational classes and career guidance & counseling along with vigorous training for entrance examinations. Continuous assessment will be taken in each week to analyze progress of each student. Weekly tests are conducted online.

Coaching class, training session and online test

Entrepreneurship Club

Aimed to build entrepreneurship abilities and groom them to be responsible business leaders in the future.

In association with IIMK Professor Dr. Anupam Das the club is formed. Objective of the club is to practicalize a business idea that promotes sustainable development, such as, cloth/jute bags, designing apparel made of handloom and not power loom, designing gift items for various occasions, and last but not the least promoting organic fruits and vegetables.

Entrepreneurship Orientation Program

7th February Friday 3.30 PM

Dr. Anupam Das
(Ph.D. Indiana University Bloomington, USA)
Associate Professor
Indian Institute of Management Kozhikode
