Young Leader Program Activity Report 2020-21

As we moved to the second year of the Young Leader Program of WadiRahma, we witnessed the undeniable fact of global health emergencies due to the corona outbreak. As the country went locked down, students were sent to their homes for safety. Classes and all the activities took place virtually. Though the pandemic has transformed the interface with everyone concerned, the school adapted well to the new scenario. The mission of the program had not changed, so did the crew. We lived in the moment with a cautious, clear vision to the future.

Meet the Scholar and My Inspiring Story

One of the major highlights of YLP is the interactive sessions with eminent personalities and scholars who inspire the budding leaders of tomorrow. Frequent interactive sessions were held and students participated enthusiastically in the events.

My Inspiring Story

Interaction with

Mr. Unice Rishin IAS

Every year we provide career workshops for students to learn about key career readiness skills and topics. Career Counsellors facilitate workshops for students on a variety of career topics, guide them to better understand the realities of a certain career, enabling them to change their career choice if they find that career does not fit their personal goals and interests. Career counseling can help students to make sound career decisions that inspire them to climb the heights of the academic ladder.

Organized webinars and debates weekly. Students researched on current topics relevant to them and conducted enthusiastically. It was a mutual gain of knowledge for all the participating members. A fair possibility of improving communication skill and comprehension were explored by these sessions.

Various topics like New Education Policy, Migrant workers in Kerala: post covid scenario, Understanding Environment Impact Assessment (EIA) 2020, Prophet Muhammad: The greatest leader of humanity / Remembering the greatness of Prophet Muhammad as a political leader. etc were discussed in the webinars.

Class XII and Class XI students participated in debates with zeal. "New Education Policy: Will that meet 21st Century Needs?" Gandhian Principles and Ideologies: Are they still relevant in Modern World", "Men are better in decision making roles than women.", etc were the topics of discussion.

Panel Discussion

Interaction with renowned journalist Mr. O Abdurahiman at his residence

Dr. Ajmal Mueen interacting with students

A panel discussion highlights the multidimensionality of the topic under discussion. Students were keen on following the updates during the lockdown period. Panel discussions were conducted online on multiple issues like “Women during lockdown”, “Post covid Economy” etc.

<https://youtu.be/F5AFTXY94TY>
<https://youtu.be/1ak1mKgG4O4>

After the Government decision came out for reopening schools, classes resumed on January 4th 2021. Since then regular classes have been taking place along with coaching classes of the Ensign Team for preparing students for competitive examinations. Various other activities were organized on the weekends.

Learn With Nature

The bond is breaking between the young and the natural world. Activities connected with nature bring relaxation and reduce stress and anxiety in students. To rebond our students with nature, they were taken to Bamboo Forest at Mukkam. Popular environmentalist Mr. Hamid Ali Vazhakkad conducted the nature walk.
